

Anshan Zhongjida Industry Co., Ltd.

Our Capabilities

- ▶ 2750 Ton, 10" Press
- ▶ 3600 Ton, 12" Press
- ▶ 5500 Ton, 14.5" Press
- ▶ 7500 Ton, 17.5" Press
- ▶ 9000 Ton, 20" Press
- ▶ Tolerances: GB5237.1 or Better
- ▶ Alloys: 6063, 6005, 6005A, 6105, 6101, 6082, 6061
- ▶ Full Tempering and Annealing
- ▶ Square Footage: 500,000 Sq Meter of under roof manufacturing space
- ▶ Employees: 1200
- ▶ Production Per Year (Tons): 80,000

- ▶ Engineering -CAD Shape Design
- ▶ Early Supplier Involvement (ESI)
- ▶ Design for Manufacturability
- ▶ Wide Selection of Standard Shapes
- ▶ State-of-the-Art Manufacturing Management System
- ▶ Single Source Extrusion and Fabrication

Finishing

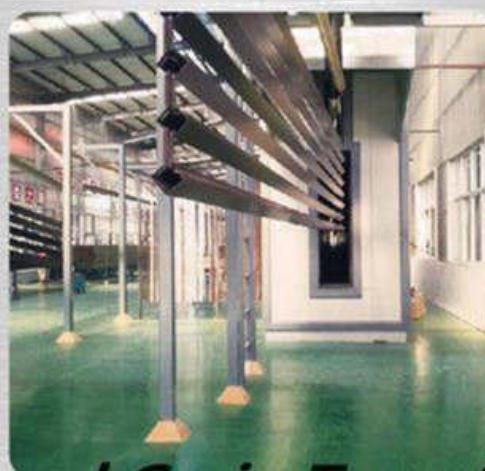

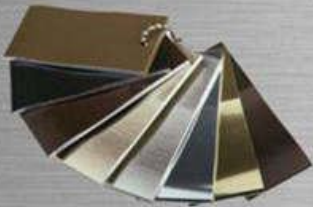

- * Mill finish,
- * Sand Blasting,
- * Anodizing (Anodizing thickness: 8-25um),
- * Wood grain,
- * Electrophoresis painting,
- * Powder coating (Powder coating thickness: 60-120um).

**Maximum powder coat length: 21 ft/ 6400 mm*

**Maximum anodize length: 21 ft/ 6400 mm*

Painting & Wood Grain Transferring Workshop

Aluminum Fabrication

- * Cutting
- * Countersinking
- * Punching,
- * Notching
- * Bending
- * Deburring
- * Drilling
- * Tapping
- * Milling
- * Forming
- * Mitre cutting
- * CNC machining

Custom & Design

- ▶ Inspection to GB5237.1、ISO9001:2008、ISO14001:2004
- ▶ Physical and Chemical Certification
- ▶ Quality Inspection Equipment

- * Industry leading practises
- * On the case
- * In the know
- * Comprehensive technology
- * Mail us any time

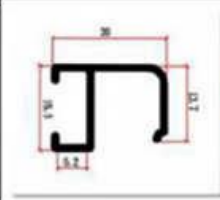

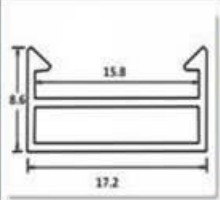

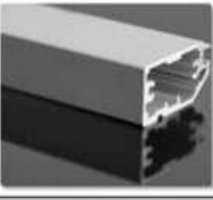

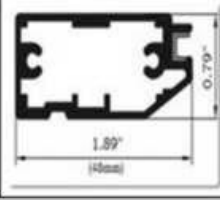

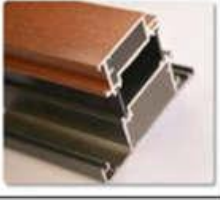

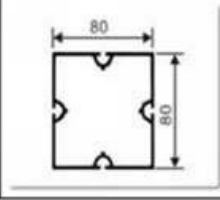

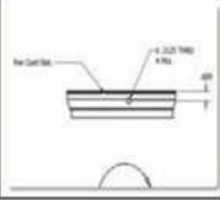

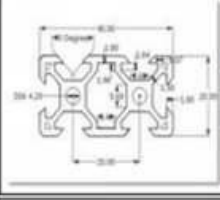

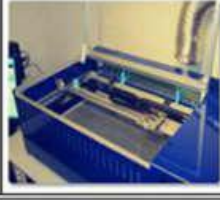

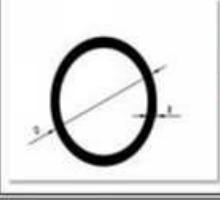

Packaging

- * Spiral Bundle
- * Shrink Sleeve
- * Interleave / Kraft
- * Paper Layer / Box
- * Box:
- * Custom Crate

Types of Our Aluminum Extrusion:

Aluminum Extrusion for Picture Frame			Aluminum Extrusion for LED		
					
Aluminum Extrusion for Heat Sink			Aluminum Extrusion for Solar Panel		
					
Aluminum Extrusion for Kitchen Cabinet			Aluminum Extrusion for Window & Door		
					
Aluminum Extrusion for Trade Show Booth			Aluminum Extrusion for Light Box		
					
Aluminum Extrusion for Machine Frames			Aluminum Extrusion for Sporting Goods		
					
Aluminum Extrusion for Curtain Wall			Aluminum Extrusion for Enclosure
